

**An Articulation Agreement**  
Between  
**Heartland Community College**  
and  
**The Board of Trustees of Illinois State University**

Heartland Community College and The Board of Trustees of Illinois State University (ISU) hereby form a cooperative relationship through this articulation agreement to better serve our public constituents, to smooth transfer, to minimize duplication of instruction, and to build on community college and university learning experiences. Both institutions recognize that working together, their collective efforts are stronger than their individual efforts.

The two institutions agree to the following:

1. Students who successfully complete the Associate in Arts – to Bachelor of Science degree in Art Teacher Education program at Heartland Community College and meet all general ISU and program admission criteria will be admitted to ISU, and generally, will be placed at the junior level. Students must complete 61 hours at Heartland for the Associates degree.
2. Acceptance into a specific ISU degree program is based on each individual transfer student meeting the conditions and considerations listed for that program. Specifically, students successfully completing an Associate in Arts – to Bachelor of Science Degree program at Heartland Community College, prescribed in the attached Transfer Guide, will be admitted to the Bachelor of Science Degree in the Art Teacher Education Sequence program at ISU, subject to available capacity in the degree program. This plan applies to students who submit portfolios to the ISU School of Art, are admitted to the School, and have a cumulative Grade Point Average of 2.5 or higher.
3. The courses listed in the attached Transfer Guide that prescribes Heartland Community College courses have been reviewed and accepted for transfer to ISU as part of the B.S. in Art Teacher Education sequence program. Students must meet all ISU graduation requirements, including General Education, as a condition of receiving an ISU B.S. degree.
4. Relationships between Heartland Community College and ISU faculty and administration are in the spirit of cooperation, and provide the basis of this agreement.
5. Representatives of both institutions agree to meet on a regular basis, but at least biannually, to assess curricular changes and other conditions that may affect the nature of the agreement.
6. This agreement does not preclude either institution from making curriculum changes, as it may solely deem appropriate in which case appropriate notice will be given to the operative academic personnel at the cooperating institution.
7. Subject to review and approval by both parties, appropriate publications and promotional materials regarding this agreement will be made available to all Heartland Community College students with interest.
8. Either ISU or Heartland Community College may terminate this agreement by giving one year's advance notice to the cooperating institution's president or academic vice president. All students admitted to ISU or enrolled at ISU at the time such termination becomes effective shall be permitted the opportunity to complete their degree or program upon such terms and conditions as were in effect at the time such student was admitted.
9. This agreement is effective with the 2018- 2019 academic year and is subject to renewal biannually for a total period not to exceed ten (10) years.
10. It is understood and agreed that neither party to this Agreement shall be legally liable for any negligent or wrongful acts, either of commission or omission, of the other, unless such liability is imposed by law and this Agreement shall not be
