Articulation Agreement
between
The Board of Trustees of Illinois State University
and
Heartland Community College
Spring 2014

This articulation agreement is only appropriate for students who transfer from Heartland Community College to the Arts Technology Program in the College of Fine Arts at Illinois State University.

1. Illinois State University and the Arts Technology Program will accept the following courses for direct course-to-course transfer credit as defined below:
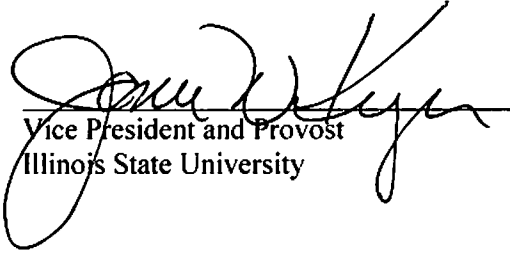

HCC course articulates for	Illinois State University
ART 102, Two-Dimensional Design	Art 103, Visual Thinking: 2-D Fundamentals
ART 104, Basic Drawing	Art 104, Visual Thinking: Drawing Fundamentals
ART 103, Three-Dimensional Design	Art 109, Visual Thinking: 3-D Fundamentals
ART 231, Graphic Design I	Art 226, Graphic Design I
ART 211, Art History I	Art 155, Survey of Art 1

Any 1 of MUSI 104, 105 or 106	Any 1 of Applied music pool: MUS 121.10, 126, 118

2. Heartland Community College students who wish transfer to the Arts Technology Program must first be admitted to Illinois State University.

3. Heartland Community College students accepted to Illinois State University will be admitted to the Arts Technology Program and will not be required to submit a portfolio for that purpose

4. Students who are accepted into the Arts Technology Program will enroll in ATK 301, Software Design I and begin work toward the completion of the Arts Technology major and a B.A./B.S. in Arts Technology at Illinois State University in the semester immediately following acceptance.

5. Students admitted to the Arts Technology Program through this transfer agreement may be required to submit a portfolio to the School of Art should they decide to transfer to a sequence within the School of Art.

6. A maximum of 70 semester hours will be accepted from Heartland Community College to toward the 120 semester hours required for graduation. Students who are accepted are responsible for completing all requirements for the B.S./B.A. degree in Arts Technology. This includes all general education courses (or transferable substitutes such as the IAI General Education core.), an additional Science, Mathematics or Technology course for a B.S. degree or at least three semesters of a foreign language (115 level at ISU) for a B.A. degree. A Global Studies course is required of all students regardless of degree. A more detailed description of these requirements can be found in Illinois State University undergraduate catalog.

7. Illinois State University makes this agreement in good faith and will hold places in the major for those Heartland Community College students who are accepted.

8. Any curriculum changes that affect either program must be reviewed by the other; and either school may rescind the agreement if they believe the curriculum changes do not serve the interests of their students or program.

9. This agreement shall be reviewed in 2019.
