Request for Auditor Registration

An auditor does not participate in the activity of the class but is expected to attend regularly. A student may register as an auditor in a class or classes if space is available. An Audit (AU) designation will appear on the student's transcript when the instructor certifies that the student has attended the class on a regular basis. If the student has not attended regularly, a WX will be recorded on the transcript after the instructor has notified the Registrar's Office in writing that the student has not attended regularly.

To audit, a student may download this form or obtain a copy from the Registrar Service Center, have the instructor sign it, and present the form at the Registrar Service Center, 107 Moulton Hall. Students must register to audit a course by the tenth day of classes in the semester, with any exception having the approval of the chairperson of the department or director of the school in which the course is offered and the University Registrar. There is a fee for auditing; see the section on Costs in the *Undergraduate Catalog*. Audited courses are not considered part of the student's total load.

Return form to 107 Moulton Hall.

*****Student must present a photo ID when returning this form.*****
