EXPLANATION OF TERMS AND CODES:
The following guide provides articulation information from College of DuPage to Illinois State University. Please review the terms below for a better understanding on how to read the guide.

Combination courses highlighted in pink: both courses must be taken in order to receive credit for the specific articulated ISU course. If only one course is taken, elective credit will be awarded.

Major Elective: Courses will transfer as general electives and will be counted in a specific major if program allows for electives. To be determined by major advisor.

Non-Major Elective: Course will not fulfill major requirements but will transfer as a general elective.

No Credit: Course will not be awarded credit.

Specific Course Title: Course will transfer as acceptable substitutions for the identified ISU course.

AMALI (Asia, the Middle East, Africa, Latin America, or Indigenous Peoples of the World): This course will meet ISU’s AMALI (formerly known as Global Studies) graduation requirement.

BS-SMT: This course will meet ISU’s Bachelor’s of Science—Science Math and Technology graduation requirement. *NOTE: This must be a course beyond general education requirements.

Gen Ed: ISU General Education Program - The appropriate Gen Ed requirement will be listed.

IAI - Illinois Articulation Initiative General Education Core Curriculum: The appropriate IAI code will be listed.

NOTE: Courses from a junior or community college will not be used for the Illinois State University requirement of 42 senior college level hours regardless of the course number at the two-year institution.

Lower-division undergraduate courses at ISU are numbered 100-199.
