

How to find the Grade Change Form:

The Grade Change Form is now entirely online. To access this, sign into your My.IllinoisState.edu account.

The screenshot displays the My Illinois State website interface. At the top, the Illinois State University logo and name are on the left, and navigation links for Giving, News, Events, Map, Apply, and My (with a search icon) are on the right. Below the logo, the text "My Illinois State" is prominent, followed by a "My ULID" field with a "Show ULID" link. A secondary navigation bar includes "Requests & Forms", "Safety & Policy", "Utilities", "My Profile", and "Logout". A red navigation bar contains "Home", "Academics", and "Pay & Benefits". The main content area features three columns: "Office 365 and Email" with a description and a "Login to Office 365" link; "ReggieNet" with a description and a "Login to ReggieNet" link; and a vertical list of services including "iPeople", "Campus Solutions", "Academic Calendar", "Technology Support Center", and "Campus A to Z", each with a right-pointing arrow. Below this is a dark grey "Announcements" section with a white box stating "There are currently no announcements" and a "View Archive" link at the bottom left.

Once you are in your My.IllinoisState.edu account, you can go to the “Academics” tab at the top navigation panel.
