

Application for Simultaneous Bachelor's Degree

*This application is for undergraduate, 1st bachelor's degree-seeking students only.
This is NOT an application for a 2nd Major or a 2nd Bachelor Degree.*

A student may apply for and receive two bachelor's degrees at the same time, if approved. To receive two degrees simultaneously, two different majors are required. All specified major requirements for both bachelor's degrees must be met as well as all general graduation requirements for both degrees. A minimum of 150 credit hours is required to receive simultaneous degrees. One \$35 graduation application fee is required. The student will receive two diplomas.
