UNDERGRADUATE APPLICATION FOR GRADUATION

The semester before you plan to finish all degree requirements, submit this application by the deadline.

After your Undergraduate Application for Graduation is accepted and final grades for your degree term are posted, staff will audit your record to determine whether you have met all degree requirements.

- If all requirements have been fulfilled, the degree will be awarded.
- If deficiencies are found, a notice will be emailed to your @ilstu.edu email and to your program coordinator/advisor.
- If all requirements have not been met by the deadline, your Application for Undergraduate Student Graduation will be cancelled. You must then submit another Application for Undergraduate Student Graduation in the semester you plan to complete the requirements.
